

read< CPFLOAT >

```
graph LR; A[read< CPFLOAT >] --> B[read< uint32_t >]; B --> C[read< uint8_t >];
```

A flowchart consisting of three rectangular boxes connected by arrows. The first box on the left is shaded gray and contains the text 'read< CPFLOAT >'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'read< uint32_t >'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'read< uint8_t >'.

read< uint32_t >

read< uint8_t >
